Stylish Audio System

Our all new CLX-70 personal audio system comes in three pleasing to the eye flavors: vivid pink, traditional black or clean white. They sound as good as they look. This compact system plays your favourite music from its tuner or from a CD. You can even insert your iPod or iPhone into its dock and it becomes your personal music station. Small enough to carry all around the house, it delivers superb sound quality only Kenwood can offer.

CLX-70-P (Pink)

CLX-70-W (White)

Stylishly - In Tune with your Life

Listening to music whenever and wherever you want is always your choice when you select the new Kenwood CLX-70. Compact and versatile, it's the stylish personal audio system that offers you unmatched sound of the highest quality.

1

Combines compact and stylish design with full digital amplifier technology.

2

Easy to operate and set up with an all-in-one system.

3

Includes CD slot, iPod/iPhone dock, USB port and SD slot.

K-323

CD USB
FM/AM

Compact Hi-Fi System

Compact and stylish, the ever popular K-323 plays music from a CD, USB devices, external hard drive and various digital audio players. With its optional iPod dock, the K-323 can be easily connected to your iPod. The full-digital processing eliminates interference and reproduces superior sound. Its unique box shape and streamlined facia design means that this versatile unit can fit into any decor.

K-323-S (Silver)

Choices - In Tune with your Life

Want to enjoy music while working at home on an important presentation or just relaxing? Searching for an audio system to match your interior decor? K-series offers it all in the K-323, a stylish single unit or choose from a brilliant array of separate Kenwood audio components. They all offer pure, clear and rich sound.

K-323-BK (Black)

K-323-S (Silver)

K-323-R (Red)

1

20W x 2 full digital amplifier for exceptional sound quality.

2

CD slot, USB port, iPod compatible (optional iPod dock PAD-iP7), DTS Surround Sensation.

3

Elegant design, made with a highly durable aluminium housing.

K-821DV

Compact Hi-Fi Component System

CD/DVD

USB

FM/AM

The K-821DV is a 2ch home theatre system with a fully digital high power amplifier. Designed to play back your favourite DVDs as well as CDs or any stored music on an iPod. This system offers the best of both worlds.

- 1 DTS Surround Sensation creates virtual surround sound for DVDs.
- 2 Full digital high power amplifier, 40W x 2.
- 3 Provided with CD/DVD slot, iPod dock, USB port.

1

Integrated digital iPod dock, USB port, CD slot.

2

Compact design with 2 colour options — black or silver receiver.

3

Convenient Touch Sensor control.
